Train-the-Trainer (TTT) Program:

At CanSCHOOL™, our primary objective is to help our customer in creating sustainable training programs. A crucial aspect of achieving this goal is ensuring that trainers possess the necessary skills & techniques to train others effectively. That’s why we offer the CanSCHOOL™ Train-the Trainer (TTT) program, which covers adult learning principles, presentation techniques, communication skills, and how to assess knowledge & understanding. Our aim is to equip trainers with the tools and confidence they need to deliver effective training that compliments their technical expertise.
